

Comprehensive Fund Services.
Invested In Our Clients' Success.

**5 REASONS WHY
YOU SHOULD LOOK
INTO A MANAGED
ACCOUNT PLATFORM**

- 1** Your firm is spending a significant amount of time managing sub-advised relationships
- 2** Your investors are demanding greater transparency and control over their alternative investments
- 3** Your firm is concerned about potential liquidity issues related to commingled fund investments
- 4** Aggregated risk reporting would allow you to more effectively manage client portfolios
- 5** Having multiple SMAs would allow your firm to reduce investment costs as well as customized client portfolios
